Black & Silver

Black&Silver, una delle linee di maggior successo nella storia della nostra azienda, è stata recentemente sottoposta ad un restyling completo, al fine di prolungare nel tempo il suo appeal commerciale. Concepita per ottenere il massimo risultato a costi contenuti, non delude mai le aspettative garantendo ottime prestazioni in cucina.

There is line which will not retreat in the line of fire and will deliver high performance at a moderate price! Designed to obtain the maximum results from a cost-effective perspective, it still manages to impress on the basis of elegance and design.

***Black&Silver** has been one of the historically successful ranges for FLONAL and it has recently been re-styled in order to prolong its original appeal and to meet the demands of the more sophisticated markets.*
