ruby

Ruby, lo stile e l'eleganza in una linea dai costi contenuti. Un assortimento di base efficace, una buona performance forte di un'estetica moderna che illumina la cucina di colori. I coperchi in vetro consentono il monitoraggio della cottura mentre il suo peso limitato ed i suoi manici piatti ottimizzano lo spazio in cucina.

Saving on costs should not imply compromising on style! A basic cookware Line, easy maintenance, good performance, with a "young" appeal that brightens up the kitchen. Glass lids allow monitoring of the cooking process and its limited weight and its flat handles make this line easy to handle and to store in limited cabinet space.
